FINANCIAL POLICY

This statement is to inform you of our Financial Policy. We are committed to providing you with the highest quality of dental care using only the best material and technology available in the market today. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in maintaining optimum oral health. Our Financial Policy is intended to facilitate excellent service to you while minimizing our administrative cost.

All charges you incur are your responsibility regardless of your insurance coverage. We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Our office is not a party to that contract. If payment from your insurance company is not received within 60 days from date of service, you will be expected to pay the balance in full.

As a courtesy to you, we will help you process all your insurance claims. You may direct your insurance company to pay your benefits directly to our office by signing the authorization on the Assignment of Benefits Agreement at the bottom of this form. In order for our office to file your insurance claim, you must bring proof of insurance and notify us of any changes to your policy at each dental appointment.

Payment is due at the time service is provided. Our office accepts cash, personal checks, MasterCard, Visa, Discover and American Express. Outside financing is available through Care Credit upon request and approval.

Returned checks and outstanding balances older than 60 days may be subject to collection fees and finance charges at the rate of 1.5% per month (18% annually).

If you have any questions regarding our Financial Policy, please ask. We are committed to providing you with the most positive experience in dental care.
